I will be grateful, always, to Judith Briles for mentoring me! She has had such a positive impact on my life. I try – every single day – to pass that gift on...

“Judith Briles was not only a phenomenal keynote speaker for our organization, but she wowed our members with three presentations that left them inspired and motivated to learn more about the publishing industry. Best of all, she spent individual time with many of our members talking to them about their books. Judith is a first-class act all around.”
